Dear Lori,

On behalf of our firm and our client (Daimler Trucks North America LLC), I am writing to thank you and your colleagues at EPA Region 10 for making the presentation and participating in the question-and-answer session with the White Paper signatories that our firm hosted on February 23rd. We felt that the exchange was constructive, and we look forward to the dialogue continuing.

Attached as promised are copies of the sign-up sheet for those who attended in person and a list of those who listened in (to the limited extent they were able to hear) via conference call to all or a portion of the EPA presentation and Q & A session.

You should be receiving a more substantive follow-up email on behalf of the White Paper signatories in the near future. But we wanted to write separately to express our thanks to you and your colleagues on behalf of our client and our firm.

Sincerely,

Tom Kilbane
